PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Mayor Is Lucky In Three-Car Smashup

Mayor Lewis Friend of Pahokee escaped injury in a three-car accident on SR 700 seven miles east of Canal Point around 8:30 Monday morning.

Mayor Friend was headed east on a trip to his farm in a pickup truck when a truck loaded with sod began to pull on to the highway from a side road. To avoid hitting the sod truck he swerved his pickup slightly to the left not knowing a car driven by Martin C. Strode of West Palm Beach was starting to pass. The Strode car sideswiped the pickup and caromed off the left shoulder of the highway, crashing into the trees bordering the highway.

Mr. Strode and his mother-in-law, Mrs. Minnie White, who was a passenger, both received head injuries and severe cuts and lacerations. They were taken to the Everglades Memorial Hospital for treatment. E. E. Parker of Miami, driver of the sod truck, was charged with reckless driving and causing an accident, according to Cpl. E. D. Dugger, who investigated.

Harlan Sears, Jr., of Canal Point was also involved in a car accident the same day around 3:45 p. m. Sears was driving a State Road Department truck on US27 about 10 miles south of South Bay when a car occupied by four Homestead negroes crashed into the rear end of the truck. Ray Boland, one of the passengers of the car, was taken to the Belle Glade Hospital for treatment. None of the others were injured. James Cobb, driver of the car, was charged with reckless driving by Cpl. Dugger who investigated.

Hospital Workers Discuss Plans

Harold E. Wetzel of Tuscaloosa, Ala., was employed as new administrator of the Everglades Memorial Hospital at a recent meeting of the North-Western Palm Beach County Public Hospital Board, with Chairman Albert Fremd presiding. He will assume his duties on Aug. 15.

Mr. Wetzel, who fills the vacancy left by the resignation of T. C. Richardson, is former administrator of the Neblett Hospital and Clinic in Monroe, Texas, and has had wide experience in hospital work.

After attending Penn State College, he received a bachelor and master degrees from the University of Alabama and specialized in hospital administration at the Toronto School of Hygiene, Toronto, Canada. He served as lieutenant colonel in the U. S. Army during World War II.

Mr. and Mrs. Wetzel and their 14-year-old son will arrive Aug. 11 in Pahokee where they will make their home in the residence across the street from the hospital, formerly used as a nurses home.

A new aircraft tire that will stand up under more than 50 simulated high-speed jet landings has successfully completed Air Force tests, the B. F. Goodrich Company, which developed the tire, recently revealed.

W. J. Adams Is New Pahokee Rotarian

W. J. Adams, manager of the J. & S Fishing Camp at Chancy Bay, was received as a new member of the Pahokee Rotary Club at the Thursday, luncheon meeting last week.

Ben Roberts, another new member who recently joined the club, was in charge of the program which consisted of brief talks by new members in which they told of circumstances that brought them to the Glades and why they chose their present vocation. Vance Denton, J. F. Waddell, the Rev. W. Hal Hunter and Mr. Roberts were among those who spoke. President Elmer Jones presided.

Hospital Supt. Is Hired By Board

The Woman's Auxiliary of the Everglades Memorial Hospital met at the hospital to discuss projects for the coming year, with Mrs. L. W. Armstrong, president, presiding.

The Auxiliary went on record as supporting the home and hospital teaching service of the Royal Palm School for the community. Representatives of St. Martha's Guild, Episcopal Church of the Holy Nativity, and the American Legion Auxiliary were welcomed as new members of the executive board.

Reports were given at the meeting of the benefits received by the hospital through the Auxiliary and its supporters since the Auxiliary was organized four months ago. The Auxiliary itself donated an oxygen tent costing \$695.

Civic and religious groups supporting the Auxiliary have made the following donations to the hospital: Canal Point Baptist Woman's Missionary Union, 12 hospital gowns and 14 infant's shirts; Canal Point Methodist Woman's Society of Christian Service, 24 diapers, 15 pairs of infants training pants and \$10 in cash; Vocation Bible School students, wash cloths, color books and crayons; St. Mary's Altar Society, with the cooperation of Herman Kautz, an electric washing machine; Woman's Club, \$14 in cash; Nazarene Woman's Missionary Society, hospital gowns and a large skillet; Pahokee Baptist Woman's Missionary Union, nursery chair, magazine and wash cloths; Woman's Christian Temperance Union, mending service for hospital linen; Business and Professional Woman's Club, high chair; Order of Eastern Star, play pen and cot; Beta Sigma Phi Sorority, kitchen utensils; Pahokee Methodist Woman's Society of Christian Service, crib and several kitchen utensils.

In addition, the Pahokee and Canal Point Lions Club donated funds for the installation of a \$300 electric clothes dryer at the hospital.

Slim Quits Shell

Gus (Slim) Fleming, who has operated the Shell station in Canal Point for several months, said yesterday that he plans to give up the station today. His doctor has advised him to find employment where he doesn't have to stand on concrete all day.

Garden Circle For Men To Be Formed

Plans to organize a Men's Garden Circle were made by the Pahokee-Canal Point Garden Club at a meeting in the Pahokee city park pavilion Thursday night, with husbands of members attending as guests.

H. L. Speer, assistant County agriculture agent, was named temporary chairman in charge of organization procedure. The men's circle will be organized at an open meeting in the County Park community building at Canal Point Tuesday, Sept. 30, at 8 p. m. At least 15 members are required to form the circle. Men interested in becoming members are asked to contact either Mr. Speer or Mrs. Frank Friend, president of the garden club.

Mrs. Ivan Van Horn of Belle Glade, district director of Garden Clubs, gave a talk on the need of more men in garden club work. Mr. Speer spoke on "Gardening as a Hobby for Men" and offered the services of his office to the club. W. A. Keen complimented the club on its beautification and community betterment program and pointed out the urgent need of a park and playground for negro children.

Mrs. Friend, who presided at the meeting, announced the club theme for the coming year will be "A More Beautiful Community." Members were urged to continue the planting of hibiscus with the goal that someday the community will be known for its beautiful hibiscus.

It was announced that starting in September the Poinsettia Circle will conduct its regular meetings at night. All club members who wish to join the night circle are asked to contact Mrs. Carl Kolstad, chairman of the Poinsettia Circle.

A flower show judging school to be held in the Belle Glade First Baptist Church auditorium Oct. 15-16 was announced. It was also announced Dr. George Arceneaux will be guest speaker at the club's September dinner meeting which will be held in the County Park community building with husbands attending as guests.

Mrs. G. Lawton Sims, hospital-ity chairman, was in charge of the covered-dish supper preceding the meeting in the pavilion.

Tax Service Has New Name In Pahokee

Mrs. Rethelle Dobrow announces change in ownership and name of the T. C. Richardson Tax Service in Pahokee to the Glades Bookkeeping Service. In a legal publication in this issue of The Everglades News, Mrs. Dobrow shows intention of filing the new name with the circuit clerk. The legal shows her as owner of the service. She is assisted in the office by Miss Ada Tillman a recent graduate of Pahokee high school.

Any road building engineer will tell you that a good road built to last is cheaper in the long run. Florida has wasted millions on the construction of temporary roads that misers, but rebuild every few years. It is time to start thinking in terms of permanent construction.

Revival Plans Are Made By Baptists

The Canal Point Baptist Church has begun plans for a revival meeting October 12 thru 22. Dr. J. Perry Carter, pastor of Flagler Street Baptist Church, Miami, is to do the preaching.

The church has also appointed a Building Planning Committee which has begun a study of the needs and the type of educational building necessary to meet those needs for the present and future.

Pastor C. J. Smyly states that attendance is beginning to increase now that many of our people are returning from their vacations. Visitors and strangers are always welcome.

Supermarket For Pahokee Is Plan

Don Cole and Jack Spencer, who operate a grocery and meat market in the Chastain building on Lake Ave., Pahokee, have rented the space adjoining their store in the building, formerly occupied by the postoffice, and are tearing out the partition in preparation to opening a supermarket Sept. 1.

The floor space of the supermarket will be double that of the present store. The floor will be laid with tile, the entire interior will be remodeled and redecorated and many new furnishings will be added to the new supermarket for the convenience of customers.

Spencer's meat market will have a refrigerated display case in the back, reaching almost the full width of the store. Jack has been operating a meat market in the building since October, 1944.

Cole, who has been operating the grocery since March 10 of this year when he bought out Belk's Food Store, plans to greatly enlarge the variety of grocery stock and have the most outstanding vegetable, produce displays in the Glades area. Mrs. Irene Oliver will continue as cashier in the grocery department.

Lions Talk About Fattening Cattle

Melvin Spooner, chairman of the agriculture committee of the Pahokee Lions Club, recommended at the club's Tuesday luncheon meeting that the finance committee of the club make arrangements to purchase stocker cattle at the present time while prices are low and fatten them for the market as a fund-raising project. Spooner outlined a plan in which each club member can take part in the project, either by supplying pasture for a number of the cattle or rental fees for pasture land.

Ralph O. Johnson, program chairman, introduced Eric Ballander of Lake Worth, ex-director of Lions Industries for the Blind, who spoke on the work being done by Lions Industries.

At the conclusion of his speech Ballander introduced Al Morris, chairman of the boys and girls committee for the blind of the West Palm Beach Lions Club, who gave a talk on vocational and educational training available for the blind in Palm Beach County.

County Taxes Are Lowered For 52-53

For the second year in a row Palm Beach county taxes have been reduced by the County Commission, according to Paul Rardin, commissioner representing the Glades section of the county.

Last year under Rardin as chairman of the board a slight reduction was made in the annual assessment and again this year, under Chairman K. P. Foster another slight reduction was made to take effect on 1952-53 taxes.

Commissioner Rardin in commenting on the two reductions said: "With the ever-increasing demands on county government, and increasing costs of operation of every department under the county commission, it goes without saying that we on the commission are happy that an increase in taxes was unnecessary. We have shaved every departmental request and by thrifty businesslike administration of the county's business, we will go through the coming year with no increase in taxes."

Rardin pointed out that the county board has no control over iness like administration of the as drainage districts, hospital districts and the like. These are not under control of the county commission. They are set-up by state law and each has its own governing board with power to set tax millage.

The Everglades Memorial hospital board for 1952-53 has raised its millage to the limit of 10 mills, a small increase over 1951-52. This will raise the taxes in Pahokee and Canal Point.

Foot Ball Plans In Making For Season

Preseason football training for the Pahokee Blue Devils will start around August 15, according to plans announced by C. W. Pell, new Blue Devil coach, who comes to Pahokee from Wilmington, Ohio.

Coach Pell, who is moving with his family into one of the Stuckey residences on Canal Point Road, hasn't had a chance yet to check on his potential material for the 1952 team but he urges all boys who plan to try out for the team to make arrangements for enrolling in the training program the middle of this month. There will be a two weeks toughening up period before the squad dons practice uniforms the first of September, he said.

The Blue Devils will open their football season on Sept. 19 when they play the Clewiston Tigers at Clewiston. The remainder of the 10-game schedule, including five home games and five out of town, is as follows: Sept. 26, Key West, here; Oct. 3, Lake Worth, here; Oct. 10, Seacrest, there; Oct. 17, St. Anna, there; Oct. 24, Fort Pierce, there; Nov. 3, Okeechobee, here; Nov. 7, Stuart, here; Nov. 14, Vero Beach, there; Nov. 26, Belle Glade, here.

Seaboard Air Line Railroad Company has announced a call for redemption on August 29 of all its outstanding general mortgage 4 1/2 per cent income bonds.

Births
Mr. and Mrs. Frank J. Brady (Carolyn Chaney) of Pahokee announce the birth of a daughter, Pamela Gay, at the Everglades Memorial Hospital, Aug. 4.

Mr. and Mrs. E. S. Selsing of Belle Glade announce the birth of a daughter, Aylene Dorothy, at the Everglades Memorial Hospital this week.

Mr. and Mrs. Allen Rust (Miss Ann O'Connell) of San Juan, Porto Rico, announce the arrival of a son, Peter Allen, on August 2.

Communication

July 29, 1952

Dear Mr. Rardin:

Just two years ago this coming August the 8th I joined the U. S. Navy, and that little phrase "Join The Navy and See The World" in my case is very true. During these past two years I've been in or thru over twenty states in the Union. Also many countries overseas, which are Portugal, Gibraltar, Crete, Sicily, Italy, France, England, Denmark, Germany, Ireland, Newfoundland, Scotland, Spain, and Cuba. When we were in these countries they had conducted tours for us, which took in many historic places. Now I for one enjoyed them all, but I believe if you would send me a copy of "The Everglades News" once a week I would enjoy it more than any of the above places.

Inclose money for one year's subscription, which is \$2.00 in advance.

Thank you very much
Your friend
John Newton Ogle

Senior Choir

The Senior Choir of the Pahokee First Methodist Church will resume regular Wednesday night practice sessions, starting immediately after the midweek prayer service Wednesday, Aug. 13, at 8:30 p. m. The choir will be directed by William Sheffield, new director of religious education for the church. All persons interested in the choir are urged to attend these practice sessions.

A troupe of eighteen stars from Cypress Gardens have invaded New York City for a summer schedule at the new \$5,000,000 Marine Stadium at Jones Beach.

Mrs. R. M. Young of Pahokee is a patient at the Everglades Memorial Hospital this week.

Godwin - Heldt

Mrs. Betty Godwin and M-Sgt. Arnold J. Heldt were united in marriage at the home of Mr. and Mrs. A. L. (Jack) Pope in Canal Point Monday at 12:30 p. m., with the Rev. James R. Roy, pastor of the Canal Point Methodist Church, officiating at the double ring ceremony in the presence of members of the family and close friends.

The bride wore a pastel blue suit with white accessories and carried a white prayer book centered with white carnations.

Mrs. D. A. Fugett, matron of honor and the bride's only attendant, wore a navy blue suit with matching accessories and a corsage of pink carnations.

T-Sgt. D. A. Fugett was M-Sgt. Heldt's best man.

Following a brief honeymoon, the couple are making their home in Canal Point while M-Sgt. Heldt, non-Commissioned officer in charge of operations of Crash Marine Boat Squadron 15 Airmen, is stationed at Canal Point during the period the crash boat is covering training operations of Air Rescue Squadrons on Lake Okechobee.

Gray Champions Collection System

TALLAHASSEE — Consolidation of Florida's tax collecting functions under a single department of revenue would increase, rather than decrease, the collection costs, according to a statement made by Secretary of State R. A. Gray at a recent state cabinet meeting.

Gray's opposition to any proposal to establish a department of revenue to take over the collection of all state impostos, a task now shared by scores of departments, agencies and boards, came during a general discussion of the state's financial picture.

Budget Director Homer Graham gave the cabinet an estimate that receipts to the state general fund this business year will total \$148,200,000, which is about \$6,000,000 more than the cabinet has legislative authority to spend.

Graham estimated receipts of \$73,782,000 to the state road fund, \$92,000,000 to the various trust funds, \$54,500,000 for special agency funds and \$4,700,000 for the general inspection fund, which will mean a general fund balance of approximately 33 million dollars.

"Consolidation of collection under a department of revenue couldn't reduce the cost of collecting the money one cent. In fact, it would increase the cost," Gray said.

There would be a complete dis-

arrangement of records, probably resulting in serious loss, he claimed.

Big Movement

WINTER HAVEN—"A total of 10,421 head of livestock moved through fifteen sales centers during the past report period. Seven markets reported gross sales totaling \$270,881.24 as compared to \$238,326.70 on seven markets the previous week. Prices on cattle were reported steady to higher in some areas with Gainesville and Monticello reporting hogs \$1.00 to \$2.00 higher than the previous week," according to William L. Wilson, Director of State Markets.

Returns Home

John Kautz, Sr., was able to return to his home north of Canal Point Sunday from the Everglades Memorial Hospital where he was treated for injuries received in a recent accident.

Mr. Kautz lost his footing and fell around 15 feet from a tree he was pruning, suffering a broken rib and severe lacerations on the face.

Cattlemen Want Research Laboratory

Florida's livestock auction markets want to see a livestock disease research laboratory established in the state, and they presented the idea to the State Livestock Sanitary Board at its Orlando meeting yesterday.

Resolutions favoring a disease research laboratory and an end to dipping of livestock at markets were presented by the association at a meeting in Jacksonville. Inadequate facilities in Florida for diagnosis of contagious livestock disease were cited by the association as a major reason for establishing a laboratory.

The association pledged its full cooperation and active support in helping establish the laboratory. Since no fever ticks have been found in Florida in more than three years, the markets believe the systematic dipping of all stock passing through auction markets could be stopped without danger of another tick outbreak. Florida meat packers several weeks ago asked that the dipping of slaughter cattle be discontinued.

Stork Shower

A party and stork shower in compliment to Mrs. Murray O. Weeks was held at the home of Mrs. Homer Barnes on Thursday night of last week.

Assisting Mrs. Barnes as co-hostesses were Mrs. F. G. Gillis, Mrs. M. I. Keen, Mrs. J. C. Schoepel, Mrs. L. W. Mullis, Mrs. Marjorie Hillier and Mrs. H. L. Speer.

Mrs. H. C. Graham was in charge of the program of entertainment. Mrs. Barnes assisted the honoree with the opening and display of the gifts.

Junior will get longer wear from his baseball bat if he cleans it thoroughly and then coats it with thinned shellac. While the shellac is out, give your fishing pole a coat or two—it will last longer.

Mrs. Osceola Upthegrove and son, Eddie, are spending a summer vacation with her mother, Mrs. Florence Commings and other relatives in Concord, N. H.

From where I sit ... by Joe Marsh

Well, What Do You Know?

Do you believe in a bunch of old tales about lightning—about how it's attracted by cats or the warmth of cattle... how it never strikes in the same place twice... or how it's liable to turn milk sour? Lots of people often do—but they're wrong.

Dad Hawkins inspired this column today. He's really studied up on lightning since his own cow barn was struck that time.

"Trouble is, most of us don't know half enough about the subject," Dad says. "And about half of what we do know is false!"

From where I sit, Dad's state ment applies to a lot of things besides lightning. Too many people think they know their neighbor's wrong when he votes for his candidate instead of theirs. Some people even resent our right to enjoy a friendly glass of beer if and when we choose. Opinions based on misinformation and prejudice, instead of being "grounded" on true facts can cause more damage than lightning ever did.

Joe Marsh

Do you have Series E Defense Bonds coming due this year?

Here's a money-earning opportunity for you

Now—a new law lets your maturing Series E Bonds go on earning for you ten years longer! And you don't have to do a thing!

ARE you one of those patriotic citizens who began buying—and holding—Series E Bonds ten years ago? Now your government is going to reward your faith with a chance for your bonds to earn extra money—over and above what you'd expected!

According to the bill passed by Congress last spring, it is now possible for your United States Series E Bonds to continue earning interest ten years longer than was originally planned.

Therefore, if you started an automatic bond saving plan, and helped your country at the same time, you can look forward to ten years more of effortless earning from the bonds you bought!

For example, a Series E Bond which cost you \$18.75 in 1942 will pay you \$25 in 1962. But

if you hold that bond ten extra years, until 1962, it will pay you \$33.33, an average interest of 2.9%.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. You simply keep your bonds as you have been keeping them.

You may still redeem any Series E Bond at any time after you've owned it for sixty days. (The tables on this page show what you can get for it.) But, makes you really need the cash you're much better off to hold your bonds; they are a paying method of saving. Bonds are safer than cash! Cash is too easily spent on accidental things. And if you lose or accidentally destroy it, you're out that much money. But when you have cash in Defense Bonds, you're more apt

to hold on to it. And if your bonds are lost or destroyed, the Treasury will replace them for you at no cost or loss to you.

The cash you have in bond savings is safe and solid; and it's steadily growing toward a sum big enough to buy something really worth while when the proper time comes—a home, a business, a retirement fund, an education for your children.

So if you have bonds coming due, take advantage of this new offer of your government—just sit back and let them go on making money. Meanwhile keep adding to your savings by buying more United States Defense Bonds regularly—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

If you want to be paid your interest as current income—

The new law also allows you to exchange your Series E Bonds, in blocks of \$500 or more, for Special Series G Bonds which pay interest semiannually at the rate of 2½% per year. For full details, ask at any Federal Reserve Bank or Branch.

Here's how Series E Defense Bonds earn the first 10 years

Maturity value: \$100.00	Cost price: \$18.75	Interest: \$81.25

Defense is your job, too!

THIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over. The nightmare of war is behind them. These boys have been far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U. S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, *strength* is America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

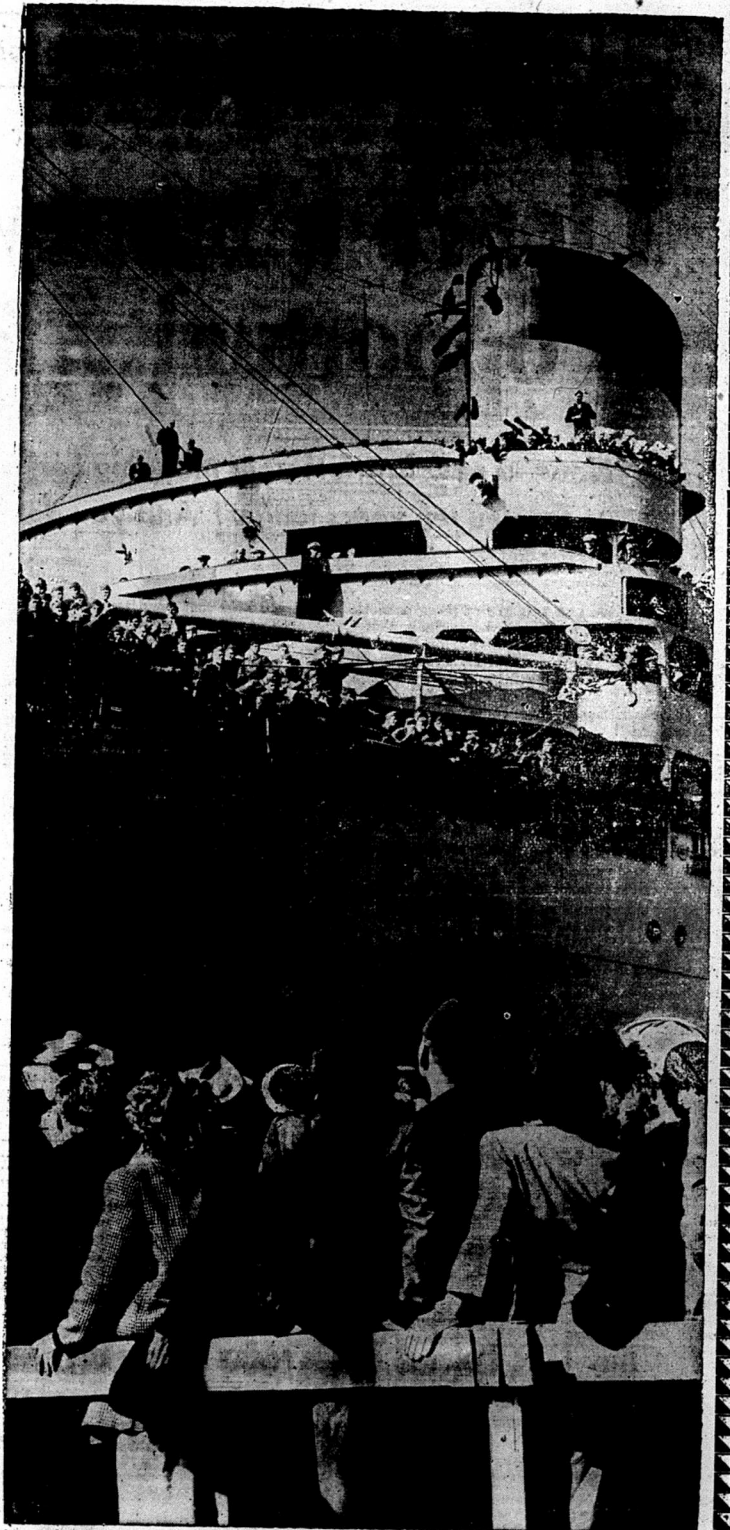

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every *Series E Bond* you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

Peace is for the strong...
Buy U.S. Defense Bonds now!

Christian Science Group Of Canal Point

That the Christian's outlook, whereby God is glorified, is a purely spiritual preception of reality is the theme of the Lesson-Sermon to be read in all Churches of Christ, Scientist next Sunday. Subject is "SPIRIT".

The Golden Text is from I John (4:6,13): "We are of God: . . . Hereby know we that we dwell in him, and he in us, because he hath given us of his Spirit."

Bible selections include the statement made by Jesus after he had healed one "possessed with a devil, blind and dumb": "If I cast out devils by the spirit of God, then the kingdom of God is come unto you" (Matt. 12: 28).

Correlative citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The senses of spirit abide in Love, and they demonstrate Truth and Life. . . . Jesus demonstrated this great verity" (p. 274). "His sublime summary points to the religion of Love" (p. 138).

Vicarage Sold

The vicarage of the Episcopal Church of the Holy Nativity in Pahokee has been purchased by Gordon Hillier, The Rev. and Mrs. John C. Petrie, who are now vacationing in Stuart, will move the last of this month into the new vicarage in Clewiston which will be dedicated at a special ceremony in Clewiston Sunday, Aug. 31, with the Rt. Rev. Henry I. Louttit, D. D., Bishop of the Diocese of South Florida, officiating. The Rev. Petrie is in charge of the Episcopal Churches both in Pahokee and Clewiston.

Mr. and Mrs. Albert Snyder had as guests the past week his mother, Mrs. G. W. Snyder of Inverness; his brother-in-law and sister, Mr. and Mrs. A. H. Flemming of Lakeland; also Mrs. Snyder's mother, Mrs. Willard Johns of Fort Myers, and Mrs. Gordon Markham of Palmetto. Mrs. Johns remained for an extended visit.

State Shows Increase In Car Registrations

TAMPA—A recent survey of national automobile registrations, according to information released by the Tampa Motor Club, shows that Florida is one of three states showing the greatest increase in number of cars registered of over 11 per cent. The national rate of increase is 5.8 per cent.

With the number of motor cars, trucks and buses using our roads it is imperative that we begin long range planning to meet our future road needs. Florida must plan to participate in the national system of interstate highways for which a congressional committee recently recommended in the highway bill which would allocate 650 million dollars to federal-aid highways.

A national system of interstate highways planned ahead to meet national traffic needs appears to be the most sensible answer to the nation's highway problem and such a system is approved by the American Automobile Association.

Floridians Like Fairs & Expositions

TAVARES—A total of 2,222,708 people attended fairs, livestock shows and expositions in Florida this year, according to figures released this week by Karl Lehmann, president of the Florida Federation of Fairs, Livestock Shows and Expositions.

This figure is based on actual attendance figures of the 24 largest fairs in Florida and estimates of the 26 smaller fairs not reporting to the Federation.

The Florida State Fair at Tampa, with more than 1,000,000 in attendance, is one of the half dozen largest in the United States. The Citrus Exposition in Winter Haven, Central Florida Exposition at Orlando and the Interstate Fair at Pensacola, each had attendance in excess of 100,000.

The Florida Strawberry Festival at Plant City and the Florida Sportsmen's Exposition-Lake County Fair in Eustis reached the 40,000 mark, while the South Florida Gladioli Fair and Festival at Delray Beach drew over 25,000.

Florida fairs, livestock shows and expositions have a total of \$3,491,400 invested in permanent grounds and buildings, most of which are operated by non-profit corporations. Operating budgets run to more than a half million dollars exclusive of new construction each year, and nearly \$100,000 is awarded in premiums and ribbons annually.

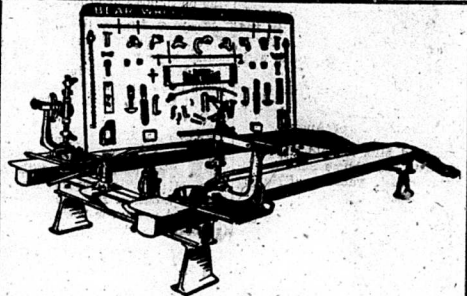

"Fair business is big business in

Florida", says President Lehmann, and calls attention to the fact that ten carnival companies maintain their winter quarters in the state in addition to the famous Ringling - Barnum and Bailey circus winter quarters in Sarasota.

Mrs. Eugene Brown arrived Saturday from New York City for a visit with her father, Don Hillier, and family in Pahokee. She was accompanied by her sister, Miss Nancy Hillier, who has been visiting in New York City this summer.

Mrs. Georgia Cox and her mother, Mrs. Ethel Bell Stevens, visited Mr. and Mrs. George Ramey Friday afternoon while enroute from Fort Myers to their home in West Palm Beach. They were accompanied home by Mrs. Cox's daughter, Miss Henryetta Lovett, who was the guest of Miss Phoebe Ann Ramey Thursday and Friday.

Guest speaker at the dinner meeting of the Canal Point Lions Club Monday evening was Clyde A. Ganipe, principal of Pahokee Schools. President Albert Fremd presided.

This means more money to you!

**NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST
10 EXTRA YEARS**

ALL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1952 can now continue to earn interest every year for ten more years—till 1962—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile. . . . And remember—the interest rate on Series E Bonds has been increased to 3% compounded semi-annually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save *before* you even draw your pay. Thousands on the Plan say it's the one sure way to save.

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K
Defense Bonds pay 2.76% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

SERIES H. A new current income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value. Issued only by Federal Reserve Banks and Branches and at the Treasury.

SERIES J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

SERIES K. A new 13-year current-income bond in denominations of \$25 to \$100,000. Pays interest semiannually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

**NOW EVEN BETTER!
INVEST MORE IN DEFENSE BONDS!**

Eugene Caruthers Top In Talent Show

A packed house at the Prince Theatre Tuesday night gave Eugene Caruthers the greatest sea of applause ever given an entertainer on Malcolm Miller's Talent Scout Show and moved him right into first place.

Caruthers gave an impression of Johnny Ray, famous "Cry" singer, the lad who was swept into top place on record sales over night. Eugene's pantomime of "Cry" and "The Little White Cloud That Cried" brought rolling waves of applause, which practically "stopped the show."

Ada Lou Tillman had no difficulty reaching second place. Her voice, style of delivery and personality won unreserved applause from the audience. Miss Tillman shows real improvement over her last year appearance.

Ann Rita Burns was fresh sweet and charming in her two offerings and came away with a real appreciative round of applause from the crowd.

Chuck Elliott wanged out some real foot tapping boogie which delighted the folks and brought him healthy applause.

Sandra Cove a guest star from Belle Glade came away with a good round of applause on her first number, "The Dove" and for an en-

core came forth with a novelty: "Take Your Finger out of Your Mouth." Sonny Hooks, from Canal Point, was the lad with his finger in his mouth and brought the house down with his clever antics.

The Zieman Sisters, Peggy and Terese, guest stars from Belle Glade were very charming in their two songs offering.

Davidsons Return

Mr. and Mrs. H. G. Davidson have returned to Canal Point and operation of their dry cleaning plant after a vacation spent in Mississippi where they visited their son, Earl, who is dusting in that area. While away they also visited friends and relatives in Georgia. Mr. Davidson reports that Earl has purchased a dusting plane and will be in business for himself in Canal Point this coming season. Last season he dusted for the Cherry Flying Service. He has a host of friends in this area who will be glad to know that he is to be in business for himself.

Mr. and Mrs. Frank Gillis of LeJue, N. C., are visiting their parents in Pahokee for several weeks. Mrs. Gillis will be matron of honor in Miss Yvonne Lee Fraser's wedding the latter part of August.

MARJORIE GRACE ALSMEYER

Mr. and Mrs. Louis H. Alsmeyer of Sebring, Fla., have announced the engagement of their daughter Marjorie Grace, to William H. Jernigan, son of Mr. and Mrs. Will P. Jernigan of Clewiston. Plans for the wedding will be announced at a later date.

Luncheon Shower For Yvonne Fraser

Mrs. G. Lawton Sims, Mrs. M. D. Geiger and Mrs. Paul Rardin entertained at the home of Mrs. Rardin Wednesday in honor of Miss Yvonne Lee Fraser with a luncheon shower. Those invited were: Mrs. J. L. Fraser, Mrs. J. V. Thomas, Mrs. George Tucker, Miss Patsy Maxson, Miss Dorothy Chastain, Miss Patsy Geiger, Mrs. Bob Baker, Mrs. Frank Gillis, Mrs. Faust Durden, Mrs. Dean Wilson, Mrs. Milton Salvatore, Mrs. John Hatton, Mrs. Houston Connell, Mrs. Ralph Maxson, Mrs. Kenneth Johnson, Mrs. William Weathers, Mrs. Frank Tillis, Mrs. Murray Weeks, Mrs. Joan Fitzgerald and Miss Margaret Powell.

Visit The Glades

Mr. and Mrs. C. R. Wetherington of Ft. Lauderdale spent yesterday and Wednesday in the Glades with relatives and friends, visiting Mr. and Mrs. C. B. Wetherington, Jr. in Belle Glade. Mr. Wetherington visited Canal Point where they lived for many years.

Favorite landmark of National Airlines pilots who fly the Havana-New York east coast route, is the most powerful lighthouse in the U. S. at Hillsboro, Inlet, Fla., a 5,500,000 candle-power beacon.

Florida real estate owners received twenty-five million dollars in rent from chain stores in 1950.

It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."
